Application for Financial Assistance

Water-Oak Circle of Sports began in 1977 by a group of Watertown/Oakville sportsmen. The mission statement of this nonprofit charity, states, “to honor a one-time Watertown-Oakville resident student or supporter (male or female) dedicated to the highest ideals of sportsmanship, and who has contributed to the betterment of sports regardless of race, color or creed.” To achieve this, we present awards within the community which include the Water-Oak Award, Special Awards, Community Service Awards and Team Championship Awards.

Water-Oak Circle of Sports has expanded its awards by promoting and giving scholarships to talented and deserving Watertown High School scholar-athletes continuing their education post high school. To date, we have been awarded over \$885,750 in scholarships.

This organization has spearheaded numerous community projects improving athletic facilities in conjunction with donations to many of our local sports teams. This list includes building of the press box at the Mills Complex; record boards for track, and swimming; replacing diving board; sound system and chair back pads for the Robert Cook Memorial gymnasium; scoreboard for field hockey/softball field. Other projects include new dugouts and sunscreen at Deland Field, donations to playgrounds, uniform purchases, and maintenance to batting cages at Deland and Veterans Park.

WOCofS welcomes requests for funds to help promote a better sports experience for the athletes in Watertown/Oakville Communities.

Application:

- Complete information requested on the application. Additional one-page narrative supporting the request may also be submitted.
- All applications must be accompanied by documentation of project costs (estimates/quotes) and project budget.

Review Process:

- Submitted applications are reviewed by the Projects Committee and recommendations are submitted to the Organization for discussion and approval.
- Further questions/concerns from the organization will be needed to be addressed by the applicant.

Any further Questions:

- Contact Project Committee Chairperson:
 - Johnny Smith (555)123-4567
-
